- Safe low voltage
- 3 Year warranty

---

### Product features

- Type of protection : IP65

---

## TECHNICAL DATA

### Electrical data

Nominal wattage	12W
Protection class	IP 65
Voltage	AC85-265V

### Photometrical data

Color temperature	2700K
Lumen	880 lm
Light color (designation)	warm white

### Materials & Colors & Size

Product color	Black
Housing color	Silver
Body material	Stainless Steel
Body size(mm)	90*120mm

### Application & Mounting

Type of protection	IP65
Dimmable	NO
Mounting type	Recessed
Mounting location	Ground
Application environment	outdoor
