- 3 Year warranty

Product features

- Type of protection : IP65

TECHNICAL DATA

Electrical data

Nominal wattage	4*7W
Protection class	IP 65
Voltage	AC85-265V

Photometrical data

Color temperature	2700K
Light color (designation)	warm white

Materials & Colors & Size

Product color	Black
Housing color	Silver
Body material	Stainless Steel
Body Size (MM)	200*95mm

Application & Mounting

Type of protection	IP65
Dimmable	NO
Mounting type	Recessed
Mounting location	Ground
Application environment	outdoor
