

PRODUCT DATASHEET

SOLAR DECORATIVE LIGHT 3W

LOOX SOLAR DECORATIVE LIGHT LED | LED outdoor luminaires

Areas of application

- Decorative exterior lighting
- Garden
- Residence
- Restaurants

Product benefits

- High energy savings with efficient solar technology
- Fully integrated solar technology
- Luminaire designed for easy maintenance
- Low maintenance and operation costs due to long lifetime of LED
- Good color consistency
- Good color rendering

Product features

- Type of protection: IP65
- Efficient lighting with high energy saving by solar energy and sensor system

TECHNICAL DATA

Electrical data

Nominal wattage	3 W
Panel watt	5.5V - 120mA
Color temperature	2700k - RGB

Battery data

Battery capacity	400mAh
Charging time	4-6 hrs
Working time	8-12 Hrs

Dimensions

Dimension	125*145mm
Panel size	50*50mm

Features

Type of protection	IP65
Mounting location	Ground, hanging
Application environment	Outdoor
