

PRODUCT DATASHEET

SOLAR GROUND LIGHT 1W

LOOX SOLAR GROUND LIGHT LED | LED outdoor luminaires

Areas of application

- Garden
- Walkways
- Residence exterior

Product benefits

- High energy savings with efficient solar technology
- Fully integrated solar technology
- Luminaire designed for easy maintenance
- Low maintenance and operation costs due to long lifetime of LED
- Good color consistency
- Good color rendering

Product features

- Type of protection: IP65
- Efficient lighting with high energy saving by solar energy and sensor system

TECHNICAL DATA

Electrical data

Nominal wattage	1 W
Voltage	1.2V
Color temperature	2700k - 6500k

Battery data

Battery capacity	1200mAh
Charging time	>8 hrs
Working time	8-10 hrs

Features

Type of protection	IP65
Mounting location	Ground
Application environment	Outdoor
